NUMBER	POSITION	NAME	25X1A9a JUSTIFICATION
1	Analyst, Guided Missiles Division/SI	<div>████████████████████</div> 25X1A9a	<div>██████████</div> is responsible for Soviet guided missile flight test range activities. The recently acquired AQUATONE data at Tyura Tam, and further coverage which may be forthcoming at Klyuchi and Tyura Tam, are vital to his assessments and responsibilities. His extensive intelligence experience in following all the information on missile test ranges will be extremely valuable to OSI evaluation of AQUATONE data.
